Mr. Fred Mortenson
Utelite Products
P.O. Box 387
Coalville, Utah

Dear Mr. Mortenson:

Enclosed please find the necessary forms to complete the filing procedures for the Utelite mine and plant located in Summit County.

Please be informed that the mine presently is in violation of the Mined Land Reclamation Act since a mining and reclamation plan was not filed prior to the July, 1977 deadline.

Therefore, we ask that you complete this plan and submit it to this office as soon as possible, but no later than the 15th of December, 1977.

As we arranged during our telecon today, we will perform a field inspection of your facilities this Thursday, November 17, 1977.

Sincerely,

DIVISION OF OIL, GAS, AND MINING
